

**REMARKS**

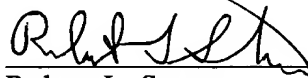

Replacement FIGs 1 and 15 are presented herewith in order to present these drawings figures in clearer form.

Replacement FIG. 11A is presented in order to correct an error in the lowermost box of the flow chart depicted in the figure. The specification at page 16, lines 10=11 states "If the Demo button is pressed (block 186),... ". The figure as originally filed set forth this box as ""218" with the text "If the play song button is depressed?". The correct number (186) and text ("If the demo button is depressed") in replacement FIG. 11A.

No new matter is presented.

It is respectfully requested that examination continue with replacement FIGs. 1, 11A and 15.

Respectfully submitted,

Robert L. Stone
